Engage fi Named One of Tampa Bay's Fastest-Growing Companies for the 4th Time

Tampa, FL – Engage fi, a leading consulting firm guiding banks and credit unions through technological advancements, vendor negotiations and strategic decision making, is proud to be recognized by Tampa Bay Business Journal as one of Tampa Bay's fastest-growing companies again.

Each year, The Tampa Bay Business Journal honors the region's most dynamic and rapidly growing private companies with the Fast 50 awards. During the awards ceremony on July 25, 2025, Engage fi received the ranking of 41st fastest growing company in the region.

In order to qualify for this recognition, honorees must be privately held, locally owned, for-profit with revenue of at least \$1 million in 2022, and in operation since 2022 or earlier. The ranking is based on revenue growth over the past three years. The awards have been presented for the last 20 years and Engage fi has been a proud recipient for several consecutive years.

Since its founding in 2014, Engage fi has experienced steady growth, driven by a commitment to excellence, deep industry expertise, and an unwavering vision to deliver measurable results.

"We're honored to be named one of Tampa Bay's fastest growing companies once again. This award is a direct reflection of our team's hard work, dedication, and commitment to our clients. We are proud of what we have accomplished together and even more excited for what's ahead," stated Jennifer Addabbo, Founder and CEO.
